Greetings from WHO!

We would like to share with you the list of vacancies published in the last week on the World Health Organization's website. The aim is to increase the diversity of our internationally-recruited staff in addition to giving your nationals information about vacant positions at WHO.

We would appreciate if you could disseminate this list widely within your national networks. We kindly request that applicants apply to the vacancies on our recruitment platform at <https://careers.who.int/careersection/ewj/jobsearch.ftl>. We regret that WHO cannot accept CVs sent by email.

WHO is committed to improving its gender balance, particularly in positions at the senior levels of the Organization, and we would therefore appreciate any support from you in targeting qualified female candidates.
